

Rick Leavitt

Managing Director

Rick Leavitt serves as consulting actuary at Smith Group/Guy Carpenter. In this capacity, Rick conducts valuation and pricing projects, with a focus on LTD, STD, voluntary disability, and State-mandated family leave product. Rick is a frequent speaker on Group Insurance at the Society of Actuaries and GUAA conferences, and has been an active member of numerous SOA research committees, and is responsible for the hands-on development of the GLTD2008 and GLTD2012 reserve tables. He also provides actuarial and underwriting training on a variety of topics including predictive analytics, reserving, risk evaluation, and experience rating. He has worked in group insurance for more than twenty-eight years.

Rick is an Associate of the Society of Actuaries and a Member of the American Academy of Actuaries. He holds a BA in physics from Reed College, and an MA and PhD in physics from The Johns Hopkins University.
